Effective Instructional Coaching Workshop

- *What is Instructional Coaching?*
- *How do you evaluate the impact of coaching?*
- *How do you work with resistance & multiple staff needs?*

This two-day workshop will peel back the main tasks and reveal the critical interface of the roles of the principal and instructional coach.

- Participants will understand how to respond to different staff perspectives and how to work with resistance.
- Be able to hold post-observation dialogue that results in teachers changing the way they do business in the classroom.
- Leave with tools that assist in tracking teacher progress.
